

IWO SERIES

SONODYNE®

THEATRE SOUND AT HOME

MADE IN INDIA
since 1970

Sonodyne IWO is pure innovation. In modern homes with premium spaces, these exquisite loudspeakers virtually disappear. They are slim and can be mounted on the wall, AND, using a proprietary mount, can also be mounted IN WALL (600 series only). Using minimal internal volume, this range produces big, detailed sound. So while the IWO does not intrude into your space, it does add a new dimension to your sound.
